

Recommended Action Agenda

From the beginning of this process, the City Council has given clear direction. They want a set of implementable actions that will achieve the vision for downtown. The challenge and the opportunity for the City Council and the community will be in prioritizing, refining and implementing these actions.

| possible transit use ✓ Complete the downtown street grid with added right-of-way crossings as properties redevelop PARKS & OPEN SPACE ✓ Create gateways and pedestrian/bike connections RECLAIM DOWNTOWN STREETS ✓ Improve the pedestrian environment ✓ Complete roadway connections, including across the Burlington Northern Santa Fe Railroad in downtown COUPLET ✓ Convert Redmond/Cleveland couplet to two-way circulation contingent upon completion of Bear Creek Parkway ✓ Create environmentally sensitive alternate route using Bear Creek Parkway, connecting at east and west ends ✓ Complete the street grid throughout downtown as properties redevelop ✓ Work actively with the state to see that further improvements to SR-520 are completed PARKING ✓ Add on-street parking ✓ Revise on-site parking policy in the downtown core ✓ Provide several smaller parking facilities dispersed throughout downtown TRANSIT ✓ Preserve a portion of Burlington Northern Santa Fe Railroad for future transit use ✓ Maintain a transit facility downtown and consider locating an additional Park & Ride west of downtown as part of a city-wide transit strategy | V | Preserve sufficient area for a trail, open space, and |
